

Welcome to Somo Beach Resort.

It was established in 1943.

We purchased the resort consisting of 30 acres of land, the bar with restaurant, campground and four (4) cabins on April 26, 2002.

We continually work to restore and improve it.

Our 2007 summer project is to update and remodel our cabins.

*Our remodeled kitchen opened June 30, 2006 and
our Dining Room opened May 25, 2007.*

We will continue to expand and change our menu, so stop by to see what's new.

Thank you for dining with us today.

Enjoy your meal and we look forward to seeing you again!
